	product image	
	Product Description	Roadshow karaoke sound system
power configuration	power supply method	AC/battery
	voltage range	120-240V
	battery	7.4V/8000mA
	Charging time	3.5H
	discharge time	5H
Speaker configuration	Speaker specifications	5.25 inches x 1 + 2.25 inches x 2
Bluetooth solution	Bluetooth IC	BP1048B2
	Bluetooth version	5.3
	Bluetooth range	Greater than 15 meters
Power amplifier configuration	Power amplifier IC	ACM8625+ACM8629
Function Configuration	Display screen	☑With ☐Without Note: Digital display screen
	USB mode	☐Supported formats: mp3/mp2/wav/wma/flac
	AUX mode	☐☑Being and Non-being
	SD mode	☑Supported formats:
	TF mode	☑Supported formats:
	FM mode	☑Frequency range: 87.5MHz~108MHz
	call function	☑Yes No
	EQ function	☐With ☑Without
	TWS function	☑With ☐None Note: Two audio devices can be interconnected
	MIC/Guitar	☑With ☐None
	DC IN	☐Yes ☑No Note:
	Light	☑With ☐Without Note: LED colorful lights with horn (red, orange, yellow, green, blue, sky blue, purple)
	Remote control function	☑☐Whether there is a note or not:
	waterproof function	☐☑Yes/No
Parameter	Maximum output	**100W**

Configuration	power	
	Output power with THD=10%	100W
	Standby power consumption	≤1W
	Maximum power consumption	120W
	frequency response range	
	S/N Signal-to-Noise Ratio	≥75DB
Dimensions and Weight	Product Dimensions	L280*W240*330MM
	color box dimensions	316*276*380mm
	outer box dimensions	647*567*405mm, 4 pieces/box
	Net value (KG)	19.8KG
	Gross weight (KG)	24.0KG
