Chief Characteristic	<ul style="list-style-type: none"> ◆ IP67 Water-proof housing ◆ The wire with mini 4 PIN DIN jack ◆ Super wide viewing angle 	<ul style="list-style-type: none"> ◆ Compact size for more convenient installation ◆ Specially designed for car rear view systems
Delivery Time	2-4 Weeks for order; 3-5 days for sample	
Specification		Product Application Picture
Pick up Device	1/3" Color SONY SuperHAD II CCD	
Picture Elements	650TVL	
Horizontal Resolution	752(H)*582(V)	
Scanning System	625TVL/2:1 Interlace	
Synchronization	Internal	
White Balance	Auto	
Auto Gain Control (AGC)	Auto	
Back Light Compensation	Auto	
S/N Ratio	>50dB(AGC OFF)	
Electronic Shutter	1/60~1/100,000sec	
Video Output	1 Vp-p, 75Ω composite	size comparison with coins from different countries 
Gamma Ratio	0.45	
Sensitivity	0.05 Lux at F1.2	
Tilt Adjusting	0° - 60°	
Weatherproof/Water Proof	IP67	
Power Consumption	DC12V 50mA	
Operating Temperature	-10~55°C	
Dimensions (Ø X H)	24.4x29mm
