## -Introductions of AY :

We are audited international logistic company which has 10 years' experience on shipping ! Providing shipping service including airfreight, seafreight, land freight (like project &over sized cargo, heavy lift cargo...) and door to door service to customers from worldwide ! We have professional team & well equipped warehouse which is 2000 square meters . During year of 2006 to 2016 , we have been helping lots of customers from different countries in the world (such as Singapore, Indonesia, Malaysia, Turkey , Iran , Dubai , Uzbekistan , Australia, Belgium, Germany, USA, Canada...) and ship the cargo to their countries without any problem .we've got high reputation !

Besides , AY is also a experienced sourcing agent which helps customers buying cargo from China . No matter what kind of cargo you want to purchase , we can help you get this done . At the same time , we also provide financial support such as LC or OA trade term if customers need .

AY always try our best to be your steward , and to be your friend , and to be your best business partner in China ! We are not the only agent here , but we have been running far away and got rid of others already .
