Model:CFB10290

CFB10290 is specially designed for police car and general duty vehicles ,features lightweight and compact structure,the new G3 leds make this lighting device a long and efficient lighting outputing. It is easy to mount and operate.Folding down and up and rotate the direction of the LED light by an remote controller.

Working Voltage:DC12V
Lighting Bulb:G3 LED
Working Current:12A
Horizontal Rotate Angle:380
Vertical Rotate Angle:180
Lumen:24000LM
Weight:23kg

- 1.With Rechargeable controller
- 2.2 years guarantee
