

Sensor Handbag Light

The first sensor handbag light of the worlds

Easy, because lit up

JUMON INTERNATIONAL CO.,LTD

www.jumonhk.com

patent of utility & design: 201420763079 & 201430508151

Why like this ?

Recent studies reveal that women spend an average of **76** days of their life searching through their handbags, a waste of time and cause for endless frustration.

Jumon LED sensor Light puts an end to the tiresome search for your mobile, purse, keys, lipstick, hair brush, etc. in your bag

Convenient because lit up

NEW product

Every fashion girl need a sensor handbag light
