

### Quick Details

Type: Labeling Machine	Condition: New	Application: Food, Medical, Chemical
Packaging Type: Bottles	Packaging Material: Plastic, Paper, Metal, Glass, Wood	Automatic Grade: Automatic
Voltage: 380V 50Hz 3P Double face labeling machine	Power: 1kw double face labeling machine	Driven Type: Electric
Brand Name: SPM labeling machine	Model Number: LTB labeling machine	Place of Origin: Shanghai, China (Mainland)
Weight: 200KG labeling machine	Certification: ISO labeling machine	Dimension(L*W*H): 2400*1350*1500mm labeling machine
Type1: double face labeling machine	Type2: labeling machine	After-sales Service Provided: Engineers available to service machinery overseas
		Type3: packaging machine

*Productive Capacity: 50-100 bottles/Min*

*(According to the diameter of bottle mouse and the length of label)*

*Power: 200W*

*Voltage: 380V 50Hz/60Hz, 110V(optional)*

*Dimension(L\*W\*H): 2400\*1350\*1500mm*

*Weight: 200kg*

*(optional)*

*Special designed machine for special requirement.*

*Price*

*(According to)*

*Total Power*

*Voltage: 220V*

*Dimension (mm)*

*Total Weight: 200kg*

*Coding system: (optional)*

*Remark: We offer special*
