LQJDB-1000A Full Automatic Double-hand Paper Box Strapping

1.Quotation:

LQJDB-1000A USD /unit

2. Terms of Payment:

30% deposit by T/T when confirming the order
70% balance by T/T before shipping.

3. Features:

- 1)Automatic PP rope stringing system.
- 2)Automatic detecting rope and discharge the left.
- 3)Automatic discharge the idle ropes.
- 4)Easy maintenance--main parts removed without tool assistance.
- 5)Quick change of PP rope stocker.
- 6)Anti-wear rope track control system.
- 7)PLC control system.
- 8)Can be connected with majority production lines.
- 9)Easy adjustment.
- 10)Quick setting of data at operation panel.

4.Specifications:

Main specifications	
Model	LQJDB-1000A
Bundling speed	10packages/min
Bundling size	Min pack W80*H60 Max pack W1000*H450
Splicing mode	Splicing area from bottom $\geq 90\%$ precision splicing $\leq 2m$
Splicing method	Pad melting
Rope width	5-6mm

Rope stocker	Inner diameter 200mm-210mm
	External diameter 400mm-450mm
	Width 175-190mm
Bundling tension	0-10kg
Power	2.1kw,10A
Power supply	380V,50HZ
Pressure	0.4-0.6MPa
Overall dimension	4900*2260*2100mm
Machine weight	1.57T
