advantage

Fashion and cool touch button design,

Just touch the button, it starts working;

Color changing indicating light,

Not just a best dehumidifier,

but also an art.

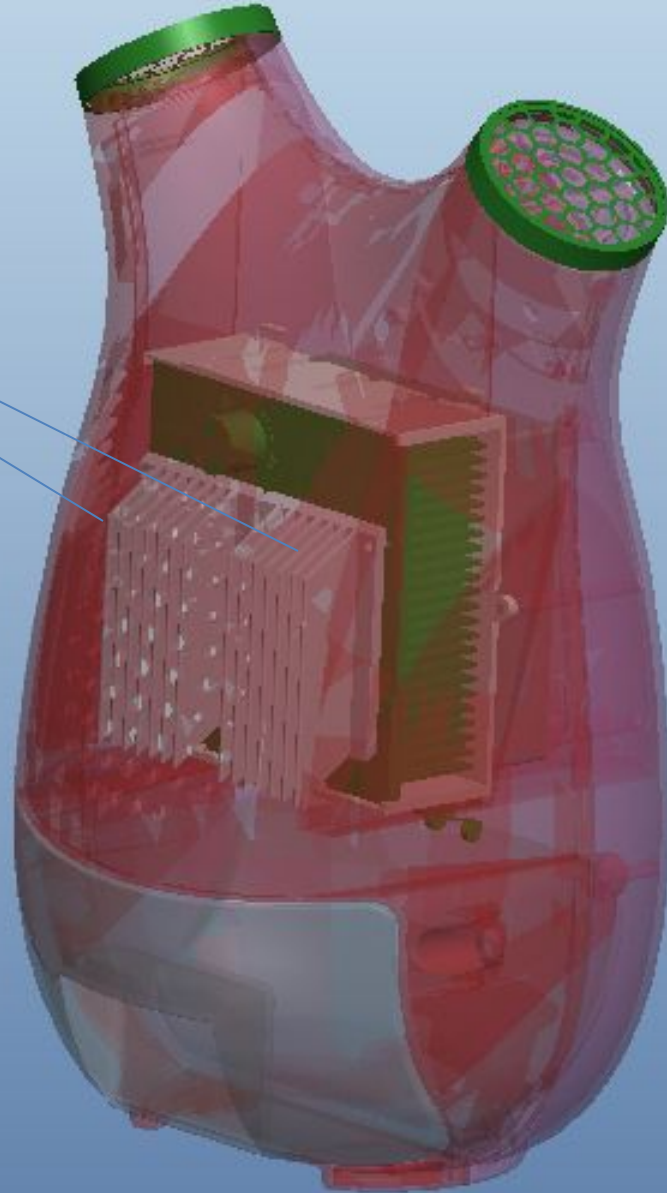

advantage

XROW-500A:One semiconductor
and one evaporator

Thermo-electric peliter technology,
very quiet

Low noise,no need rfrigerate

Bring you a quiet ,dry and comfortable
home.

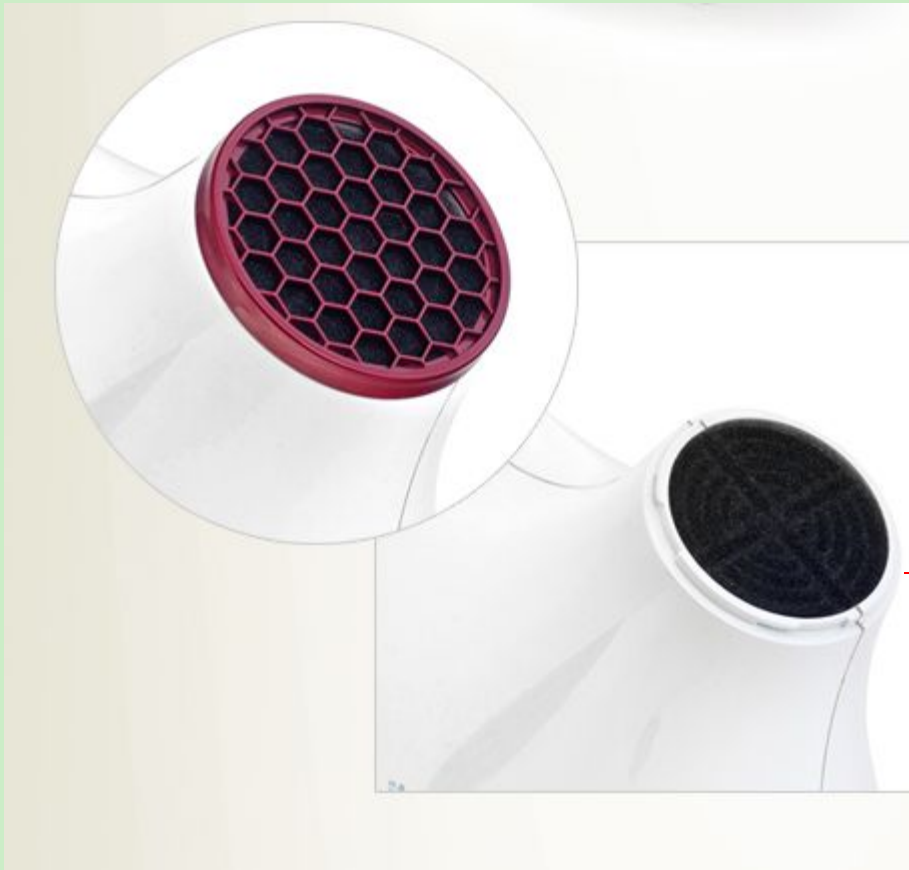

Dehumidification . air purification

Two In One

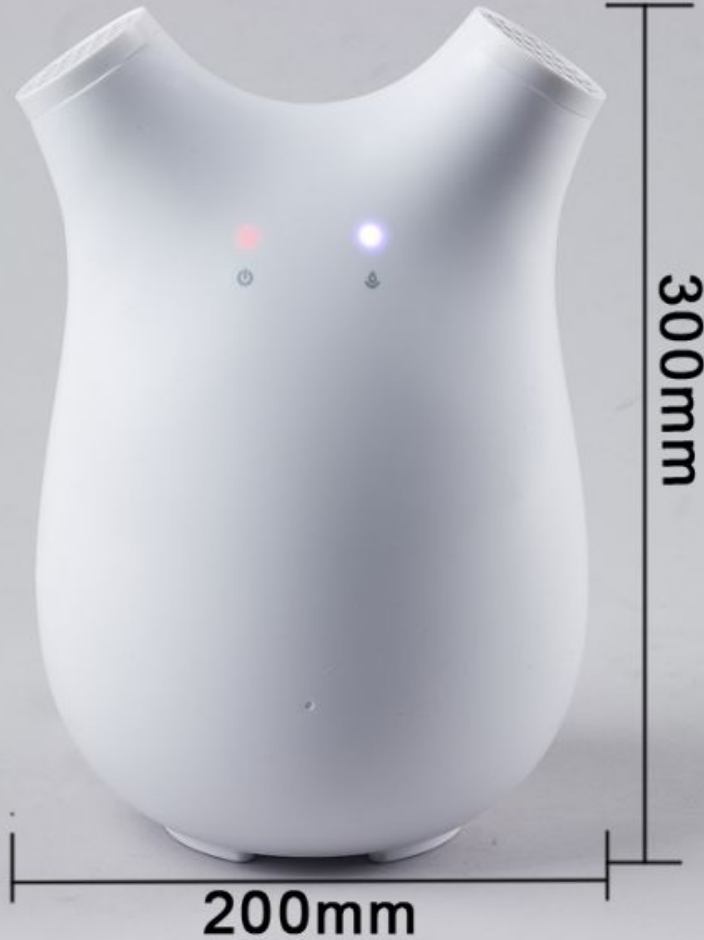

Air purification function

Invtop Home Dehumidifier

activated carbon
air filter here.

Every side

- **Dehumidifier uses:**

- **Bathrooms/laundry rooms:** XROW-500A absorbs excess moisture, and helps to dry fabrics faster
- **Bedrooms:** While absorbing excess moisture you are also reducing dust activity, and consequently the risk of allergies
- **Vacation homes:** Absorbs musty odors from stagnant air, and prevents damage caused by excess moisture
- **Basements:** Protects stored clothing and tools from damage caused by excess moisture
- **Storage spaces:** Protects your stored clothing, electronics and furniture from damage caused by excess moisture
- **Stored boats/RVS/classic cars:** Protects storage from damage caused by excess moisture and musty odors from stagnant air

1. Warnings

- (1) Please pay attention to electrical safety, don't let children play the power adapter.
- (2) Please don't use wet hand to pull out and plug the adapter to avoid causing a short-circuit.
- (3) Stop to use the adapter once it is not energized, cracking, in high temperature, with noise, odors and other unusual conditions. Please contact us to change right away, any repair work must be done by qualified technician appointed by our distributors.
- (4) Put it far away from the children.

2. Cautions:

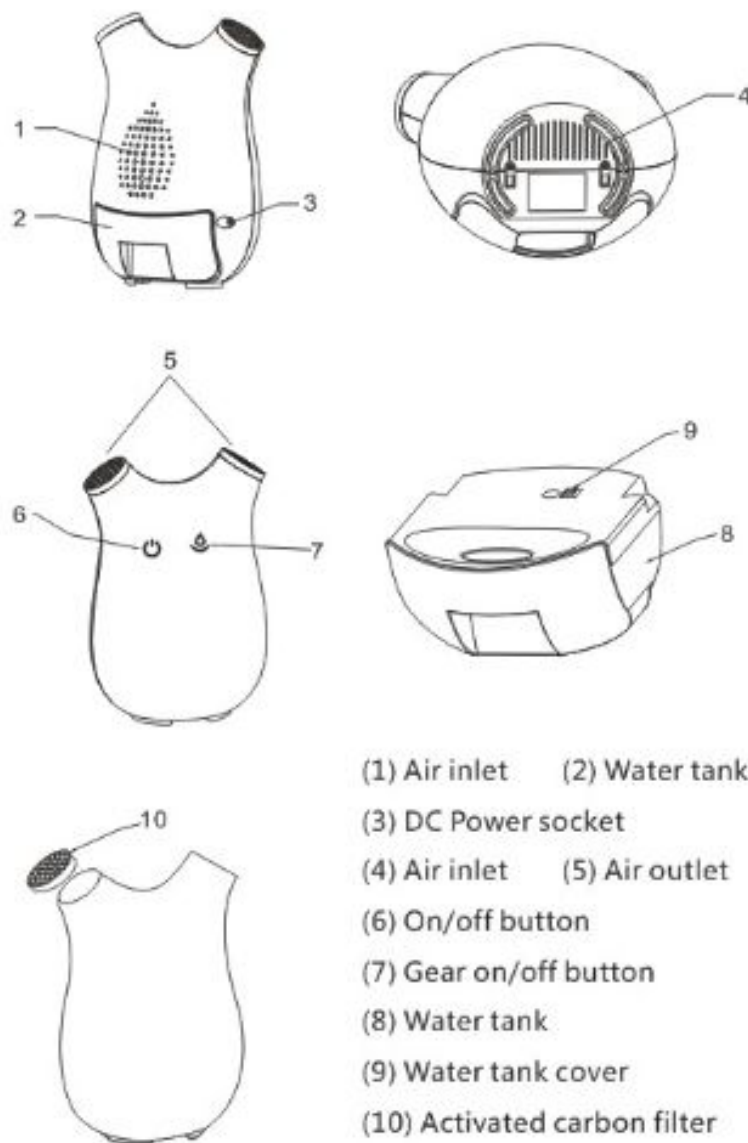

- (1) Any repair work must be done by qualified technicians to avoid damaging of the product;
- (2) Please don't use unoriginal, unqualified power adapter;
- (3) Stop to use it if you found the unit with odors, noise or some other unusual conditions, contact us to solve them;
- (4) Don't soak and beat the machine;
- (5) Position it up-right to avoid water leakage and overturning.

3. Product introduction

XROW series dehumidifiers use peltier technology (no compressor), which makes it energy saving, light and quiet. It is perfect for about 20 square meters spaces like small rooms, study, wardrobes, book cabinets, storage rooms, bathroom, kitchen and so on. As poor ventilation causes odors and fungus in these places. This peltier dehumidifier can solve the problems by keeping them free from unwanted moisture.

4. Using instruction
