 - iPad2
 - iPad

“Made for iPod,” “Made for iPhone,” and “Mae for iPod” mean that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad, respectively, p y and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. iPad, iPhone, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries

Application Area:

Compared to the traditional thermal receipt printer, Mini printer has smaller body, more reliable capability, more steady printing and portable advantages. The Mini printer can work on a lot of locations, such as the TAXI bill printing, administrative fees receipt printing, post receipt printing, restaurant ordering information printing, online payment information printing, etc. With the rapid popularity of smart-mobile, tablet and so on, Mini printer will be more widely used in the near future.
