

Detailed Product Description

XCMG Skid Steer Loader (XT760)

- 1.DEUTZ D226B-4 Engine
- 2.Euro III Emission
- 3.REXROTH hydraulic parts
- 4.Rated load:1100kg

XCMG Skid Steer Loader (XT760)

- 1,Reliable and durable frame work prolong the machine using life.
- 2,The original imported engine generates super power and low exhaust,which makes the machine environmental.
- 3,Optimum hydraulic system design grantee efficient work.
- 4,The integral FOPS & ROPS and human-engineering designed cabin makes work comfortable.
- 5,Adopting internationally univeral quick coupler can make changing attachments in few minutes.
- 6,Convenient maintenance.

Configuration:

1. DEUTZ D226B-4 Engine
2. Euro III Emission
3. Rated Power: 60 kw
4. REXROTH hydraulic parts
5. Rated load:1100kg
6. Bucket capacity:0.65m³
7. Tires:12-16.5NHS 10RP
8. Operating Weight: 3900kg
9. Dimension(L*W*H): 3849*1960*2083mm

| | |
|--------------------|----------------------|
| Overall dimensions | 3849mm×1950mm×2083mm |
| Operating weight | 3900kg |
| Tires | 12-16.5NHS 10RP |
| bucket capacity | 0.65m ³ |
| Rated load | 1100kg |
| Dumping clearance | 2479mm |
| Dumping reach | 748mm |
| raising time | <5s |
| Total cycling time | <10.5s |
| breakout force | 22KN |
| wheel base | 1246mm |
| tread | 1475mm |
| engine | DEUTZ |

| | |
|-----------------|-----------|
| model | D226B-4 |
| rated power | 60kw |
| rated speed | 2500r/min |
| traveling speed | 12km/h |
