## Description:

SP-D10 is a panel mount receipt printer with print widths of 58 mm respectively. Ideal for use where a printer mechanism may have been considered due to its 'integrated design', the SP-D10 take the hard work out of design by providing a simple and finished product that can be connected as easily as any external printer.

## Application Area:

The printer SP-D10 can work on a lot of locations, such as Medical Equipment, Measureing equipment, Security Equipment, Analyzing Instrument&Meter, etc.

## Packing Details

1 unit receipt printer
1 roll plain paper
1 pc power cable
1 pc interface cable

## Power adaptor for option:

*British Standard

*American Standard

*European Standard

*Chinese Standard
