

Item No.	DL102S		Note
FL-1 STANDARD	Work light	Flashlight	Above data according to the international torch described in standard ANSI/NEMA FL1 measurement method, used by the battery of lithium polymer battery (3.7 V / 900 mah), different battery or using environment may impact on the above data
 Light output	205lm	132lm	
 Run time	2 h	242Min.	
 Beam distance	16m	41.83	
 Peak beam Intensity@0.5m	64 cd	422.25 cd	
 impact resistance	2Meters		
 IP
