

HD Inspection Camera With Recordable Monitor

720P

HD pixels

LCD screen

Video recording

Up to 32 GB

Digital zoom

Image-flip

Camera shaft

Model No.: GL8702

FEATURES

- HD resolution at 1280x720
- 9 mm water-proof camera with 1m length detachable tube
- 3.5" TFT-LCD monitor
- Snap shot and video record capability
- Max 32GB TF card supported
- HDMI output for viewing in big HD screen
- Increase visibility with 3X zoom capability
- Image flip to allow different viewing angles
- Adjustable brightness on lens-mounted LED light
- Manufactured and tested to Ip67 water-proof standard

SPECIFICATIONS

Items	Specifications
Imaging sensor	1/4"CMOS
Picture/Video Resolution	1280X720
View angle	50°
Min illumination	0lux
Tube Diameter	9mm
Focus	4~12cm
Waterproof Level	IP67
Consumption Current	120mA(max)
Frame Rate	30fps@720P, 60fps@VGA
Screen Size	3.5" TFT LCD
Display Resolution	320(R.G.B.) X 240
View Angle	Up:40 Down:60; Left:60 Right:60
Built-in Li-Battery Capacity	1200mAh/3.7V
Power adaptor	5V/1500mA (Mini USB interface)
Charge Time	≤4Hour
Runtime	≥2Hour(view mode)
Consumption Current	680mA
Memory	T-Flash Card
Memory Size	32GB (MAX)
Picture Format	.JPG
Video Format	.MP4
Operation Temperature	0°C~+40°C
Operation Humidity	15%~85%RH
