

# Brake Fluid Moisture Tester

Model No.:MS-BFT1

This digital brake fluid tester is well designed suitable for determining brake fluid quality, developed for professional use in automotive repair shops and in servicing. Quality tested is indicated on five LEDs in terms of “percentage of water in the brake fluid.”

**Power Button**

	Battery OK ; no water
	Battery OK ; Less than 1% of water
	Battery OK ; less than 2% of water
	less than 3% of water, the brake fluid should be changed
	Greater than 3% of water, the brake fluid must be changed urgently!
