solar-wind street light

style:HDSF002

NO	Component name	Specifications	Quantity	pic	
1	solar panel	polycrystalline solar panel:80W Cell Efficient:16.5% Lifetime:More than 20years	2		
2	wind turbine	300wp	1		
3	LED	LED: 60W ,24v,90lm 20Lux on the floor,Color temperature:	1		
4	controller	24V/400W wind turbine & 50W solar panel,Wind solar hybrid controller	1		
5	storage battery	maintenance free lead-acid battery, DC12V, 150AH	2		
6	mounting bracket	hot-dip galvanizing spray treatment, anti-rust, anti-corrosion	1		
7	battery case	hot-dip galvanizing spray treatment, anti-rust, anti-corrosion	2		
8	cables and other accessories		1		
9	light pole	10M;hot-dip galvanizing spray treatment, anti-rust, anti-corrosion	1		
Total:				working hours: 10 hours sunshine hours: 6 hours continous cloudy days: 3 days
