

12V 1.5A US Plug AC/DC Power Adapter		
Product Basic Information		
Item	Content	
Product Name	12V 1.5A AC/DC Power Adapter (US Plug)	
Product Type	Switch Power Adapter, DC Regulated Power Supply	
Product Model	1215	
Application Scenarios	Monitoring cameras, LED light strips, routers, set-top boxes, small DC appliances, security equipment power supply	
Electrical Performance Parameters		
Classification	Parameter Name	Specification
Input Parameters	Input Voltage	AC 100-240V
	Input Frequency	50/60Hz
Output Parameters	Output Voltage	DC 12V
	Output Current	1.5A
	Output Power	18W
Physical & Environmental Parameters		
Classification	Parameter Name	Specification
Interface Parameters	DC Output Connector	5.5×2.1mm Male
	AC Plug	US Standard Two-pin Plug
Material & Structure	Shell Material	Flame Retardant ABS Plastic
	Wire Material	Pure Copper Wire
Environmental Parameters	Operating Temperature	-10℃ ~ +55℃
	Storage Temperature	-20℃ ~ +70℃
Mechanical Parameters	Plugging Life	DC Connector ≥5000 Times
Packaging		
Packaging	Independent box
