

Product Info

Material	NR, SBR, CR, NBR, HNBR, EPDM, Silicone, FKM, FFKM or Custom Compound
Material Report	FDA, ROHS, UL, and REACH Certified
Dimension	Standard Sizes or As per customers' Requirement
Certifications	ISO9001, IATF16949, ISO14001
Color	Any colors according to PANTONE or RAL
Service	Custom Made or OEM and ODM
Samples	Free Samples Are Available
Production Ways	CAD Drawing, 3D Files or Samples
Production	200T, 300T and 500T Compressing Molding, Injection
Capacity	Molding, Auto Vacuum Vulcanizing, Plastic Injection, and Extrusion
Supplying Capacity	One Million Pieces/ Month
Tolerance	Generally $\pm 0.05\text{mm}$ or Better
Lead Time	15 Days for Molding, 15-20 Days for Series Production
Application	Industry Machinery, Automotive, Mechanical Equipment, Construction, House Application, Medical Machine
