

Jinhua believe trade co.,ltd

what's app :0086-15325897151

Webiste: <http://www.globalsources.com/jinhua-believe.co>

specification

1. MOTOR : 1800W ,Permanent magnet synchronous motor
2. controller :48V-96V 70A,Permanent magnet synchronous controller
3. Battery:72v 60AH Lithium battery ,for BMS 5 Second max amp draw is 200A ,continuous amp draw is 150A
the BMS settings is 100A
4. charging :84.2V 10A on board (220V input) 10A (110V input)+20USD
5. Driving : Differential rear wheel driving
6. suspension:F/R Double A-arm independent suspension
7. Max.Loading capacity:230KG
8. Min.ground clearance:195mm
9. Break type(F/R):F/R hydraulic disc and handle park brake
10. max speed:65km/h
11. Distance range:65km-75km
12. charger time :3.5-4 hours
13. Battery-life: 1200 cycles
14. Front /rear wheels:5.00-12
15. Front hanging:double arm-swing
16. product dimensions:2310x1260x880mm
17. carton dimensions:2300x1300x730mm
18. wheelbase: 1300 mm
19. height of seats:430mm (seat can be removed)
20. 20fcl :12pcs . 40HQ:24PCS

Atv and go kart HS code:8703101100

battery options	40'HQ	20'GP	2 pcs (mini order)
1200W 72V 60AHLithium	365000USD	3780USD	4100USD
1800W 72V 60AH Lithium	3750USD	3950 USD	4200USD
3000w 72V 80 AH Lithium	3960USD	4050USD	4380USD

less 2 pcs , need 120 usd sample fee

windshield +65SD 3 Point belts +23USD

Bluetooth Speaker+65SD

spare alloy wheels +69USD

Built in charger +charger pipe +110USD
