

# I7 MINI PC (JFTC4578UGK)

## Product features:

- 2 x RJ45 2.5GB i225-V Intel Giga LAN and 6 x RS232 COM(COM1/COM2 can change to RS485/422 from BIOS).
- Support VGA + HDMI 1.4 dual display output synchronously.
- One embedded SIM card slot onboard for 3G/4G Wi-Fi.
- Full Aluminum Alloy Black color shell for heat dissipation, Exquisite production craft on outside design.
- Fanless system without cooling fan, fit for industrial grade field, work as long as 24 hours.
- Low consumption TDP only 28W and can be mounted on the wall.
- Support AWAL, Wake On LAN, Watchdog, RTC function

IOS9001 IOS14001

## Specs

|              |                                                                                                                                                                                                |
|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| CPU          | Intel core i7 4578U ,3.0 max 3.5GHZ ,2 cores 4 threads                                                                                                                                         |
| RAM          | 2 x SO-DIMM DDR3L Slot, Support 4GB/8GB/16GB,<br>DDR3L 1333/1600,LPDDR3 1333/1600 (optional)                                                                                                   |
| HDD          | 16G/32G/64G/128G/256G/512G/1TB SSD<br>/500G/1TB/HDD(Optional )                                                                                                                                 |
| Graphic card | Intel Iris Graphic 5100 ( 200-1200MHz )                                                                                                                                                        |
