Xuzhou Realflint Imp. Exp. Co., Ltd was established in 1995. It is a professional glass bottle company that integrates product development, production, sales, and service.

The company has 5 automated production lines and uses high-quality raw materials to produce various types of glass bottles, including brandy bottles, gin bottles, whiskey bottles, vodka bottles, beverage bottles, glass jars, etc. The daily production capacity is 600000 bottles, which can meet the needs of different customers. At the same time, our company provides decoration services such as spraying, frosting, printing, electroplating, etc. These techniques will make your bottle look more exquisite; We strictly follow the international quality management system to ensure that every batch of products meets international standards,

Our company has independent research and development capabilities and provides new research and development products year-round; Our company has over 500 employees who are experienced and committed to strict quality testing and thoughtful consideration. We provide excellent service and are able to discuss customer needs at any time to ensure customer satisfaction.

In addition, we have also obtained the ISO 9001 certificate. For many years, our products have won high recognition from domestic and foreign customers, including Europe, Australia, and North America, for their excellent performance and reliable quality. At the same time, we also undertake OEM and ODM orders.
