

## Features:

- ◆ 2304\*1296
- ◆ 3Mpixels CMOS sensor
- ◆ Easy to pair: Scan QR code or via AP mode to pair
- ◆ Pan/Tilt
- ◆ **Customized activity zone**
- ◆ **Motion tracking**
- ◆ Adjustable sensitivity level
- ◆ Two way audio, echo cancellation
- ◆ 3DNR,DWDR
- ◆ 850nm infrared LED , effective distance of 8 meters
- ◆ WiFi 2.4GHz
- ◆ Cloud storage supported
- ◆ Support Amazon Alexa, Google assistant, etc

## Spec:

|                              |                       |                                     |
|------------------------------|-----------------------|-------------------------------------|
| <b>Video/Audio</b>           | Resolution            | 3MP 2304*1296                       |
|                              | Lens                  | Focal length: 4.0mm; Aperture: F2.0 |
|                              | FOV                   | 355°                                |
|                              | Encoding              | H.265                               |
|                              | Two way audio         | Two way audio, echo cancellation    |
|                              | Audio input           | Mic                                 |
|                              | Audio output          | Speaker                             |
|                              | Night vision          | IR-CUT auto switch                  |
|                              | Night vision distance | 8-10m                               |
|                              | Wireless connection   | 2.4 GHz Wi-Fi IEEE 802.11 b/g/n;    |
|                              | Motion detection      | Motion detection                    |
| <b>Microphone</b>            | Signal to noise ratio | ≥58dB                               |
|                              | Sensitivity           | -36dB± 2dB                          |
| <b>Speaker</b>               | Speaker function      | Support                             |
| <b>Local storage</b>         | TF card               | Max to 128GB(TF card not included)  |
| <b>Value added service</b>   | Cloud storage         | Optional                            |
|                              | Amazon Alexa          | Optional                            |
|                              | Google assistant      | Optional                            |
| <b>Power</b>                 | Power port            | Type C                              |
|                              | Power                 | DC 5V1A                             |
| <b>Certificate</b>           | Certificate           | CE/FCC compliant                    |
| <b>Operating environment</b> | Working temperature   | -20°C ~ 50°                         |
|                              | Working humidity      | 10~95% non-condensing               |
