Features

7 inch Android 4 core HIFI car audio player

Physical standard configuration

Product form	Function	Car Android navigation system
	Size	178*102*50mm
	Weight	0.96KG per box
Display	Screen size	7inch
	Resolution	1024X600
Screen	Screen	Capacitive screen, multi-touch

Hardware configuration

CPU	CPU Model	MTK8227L
	Main frequency	Quad-core ARM@1.3~1.5GHz Cortex-A53
CPU	CPU power consumption	5-8W
DDR	Capacity	1GB
Ctorage	Capacity	16GB
Amplifier	Built-in	AC7315HX
G-sensor	Built-in	G-sensor

Internet connection

WIFI	WIFI type	Built-in
Bluetooth	Bluetooth type	4.0

Interface configuration

Power socket	16P	Label note
Reversing	AV input + WIFI enhancement	AV port
USB port	Support data transmission	USB1, USB2
AV port	Video output	AV port
AV port	Video output	AV port

Main accessories

Kits	Standard configuration	Power, USB1, USB2, reversing cable, video/audio harness, mounting bracket
------	------------------------	---

Software configuration

Operation system	Android system	Android 8.1Go system
