

Model:8203K

Material-----59A# brass+zinc alloy
Surface finishing-----chrome
Function -----3 functions
Sliding sleeve-----adjustable height, ABS with water plating chrome
Water valve-----59A# brass
Water tube-----round s/s with plating chrome,1mm thickness
Hand shower -----ABS with plating chrome,self-clean function
Top shower-----square, ABS with plating chrom
Hose -----1.5m PVC with plating chrom
Handle -----zinc alloy with plating chrom
Knob-----zinc alloy with plating chrom
Air test-----0.6MPa
Salt spray test-----ASS 24 hours (PH=3.1-3.3)/NSS 48 hours (PH=6.5-7.2)
Water pressure suggest-----0.1-0.5MPa
Water leakage pressure test---1.6MPa without leakage
Package-----strong inner two boxes+ strong outer carton
Cartridge-----500,000cycles
