Wireless mode
Using Batteries

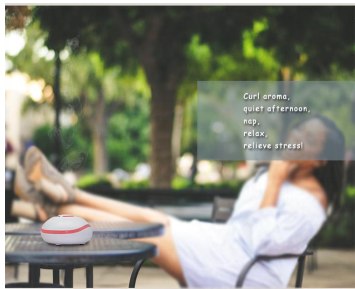

Wired mode

Dual power functions which are by 3 AAA Batteries (Not Included) or by USB power source when plugged in, provides you with more optional and convenient power choices.

The batteries can be last for about 12 hours

COMPACT AND PORTABLE DESIGN

Essential Oil

With small and round well-shaped design, it looks more delicate and special to be a amazing ornament in any space.

Add a few drops of your favorite essential oil to begin your soothing aromatherapy experience. or just to add a refreshing scent to a small space to fresh the air.

EASY TO USE

One button

1. Normal mode, LED mood, etc.
2. INT mode (15 sec. Operation, 15 sec. Standby)
3. Third click: power off

Just by adding your favorite essential oil on the fiber pad , then press the button to enable the fan inside working.

Please open the lid and put the pad.

Please sprinkle the oil on the pad.

Cover the curve and connect it to the AAA battery or USB cable.

10 pieces fiber pads are included.
One fiber pad can be used about one month.
3-5 drops of essential oil is better,not exceed 20 drops one time.
