

Product parameters

Brand: 

Model: KM-15

Main control chip: Novatek NT96670

Network support: 2.4G wireless frequency

Running frequency/running memory: 900MHz, DDR3, 2GB/built-in 32Mb SPI Flash

Gravity sensing: 3-axis G-SENSOR high-precision sensor

Display screen: 2" IPS Memory card: support 32G~512G TF card storage (32G memory card delivery)

Resolution: Front camera: 3840x2160P/30fps

Rear camera: 1920x1080/30fps Housing material: PC+ABS

Video quality: 2160P, 1440P, 1080P, 720P Weight with package: 484g

Product weight: 327g

Packing size: 19*14*5.6cm
