

**Product Model : W042-67A-ID9**

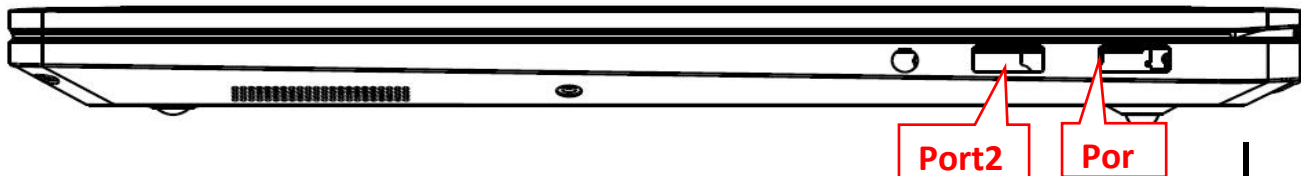

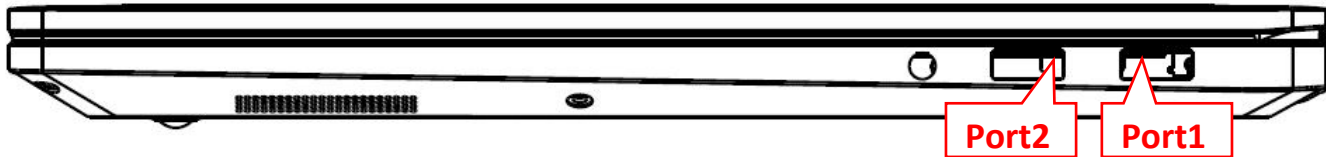

Three views of the HP Spectre x360 laptop. The left view shows the laptop from a three-quarter angle, highlighting its slim profile and the vibrant, colorful abstract pattern on the screen. The middle view is a front-facing shot, showing the keyboard, trackpad, and the circular HP logo on the bezel below the screen. The right view shows the laptop from the opposite three-quarter angle, emphasizing the hinge mechanism and the screen's flexibility. All three views show the laptop in a dark grey or black finish.
