Boardless model		
Specification	picture (for reference only)	Smart tv 
	Panel Brand	AUO
	Modle number	K-50W3
	Screen size	50"
	Panel Resolution	2K(1920*1080)FHD
	The operating system	Android 9.0
	Storage	512+4G
	Remote control	1
	Wall mount	
	Proportion of the screen	16: 9
	Backlight type	LED light-emitting diodes
	Color classification	black
	Border material	plastic
	Best viewing distance	4.1-5.0M
Image parameters	The refresh rate	60HZ
	Viewing Angle	178/178 °
	Scanning way	Progressive scan
	Receive standard	PAL/NTSC
Function	Network	Ethernet/WIFI 2.4GHZ
	USB media player	USB support video formats: support 1080 p mainstream audio and video decoding, supports MP4, 3 gp, AVI, MPG, RM, RMVB, MOV, MKV, MPEG. USB support audio format: MP3, WMA, AAC The support USB image formats: JPG, JPEG, PNG, BMP
	Language	English/Spanish/Portuguese/Arabic/Turkish
Main interfaces	HDMI interface	2 * HDMI 1.4
	Network interface	1 * network interface
	USB interface	2 * USB2.0 interface
		2 * video input
		1 * analog RF interface
		1 * Digital input
Power consumption parameters	Speaker power	2*10w
	The power performance	100V-240V
	The power consumption of the	120W
	Standby power consumption	≤0.5W
Hardware configuration	Packing size	1165*112*700mm
	40HQ	761PCS
	G.W	12.6KG
