

Product Parameter Table

参数名称	填写内容
Purity 纯度	Min 98% (HPLC)
Appearance 外观	White to off-white lyophilized powder
Physical Form 形态	Lyophilized Powder
Specification 规格	2mg / 5mg / 10mg / 20mg / 30mg / 50mg / 100mg / 120mg per vial
Packing 包装	10 vials per box
Solubility 溶解性	Soluble in water
Storage Condition 储存条件	Store at 2-8 degree Celsius, sealed and dry, protected from light
Shelf Life 保质期	24 months under proper storage
COA 检测报告	Available upon request
Application 用途	For laboratory research use only, NOT for human consumption
OEM Service 定制服务	Available
Grade 等级	Lab Research Grade
