Specification

www.meegopad.cn

General

Style	Industrial Mini PC
-------	--------------------

OS	Windows 7/8/10
----	----------------

CPU/GPU

CPU/GPU	Intel® Baytrail Celeron® Processor J Series Cache 2 MB L2. N2830/J1800/J1900
---------	---

CPU Frequency	2.00 GHz
---------------	----------

Turbo Frequency	2.42GHz
-----------------	---------

Core	Quad Core
------	-----------

GPU	
-----	--

Storage

Ram	DDR3L 2G/4G/8G 1066/1333/1600
-----	-------------------------------

Storage	MSATA SSD & SATA HDD
---------	----------------------

Expand Storage	
----------------	--

Network Communication

WiFi	Optional
------	----------

Lan	Intel WGI211AT *4, Support network wake
-----	---

Bluetooth	BT optional
-----------	-------------

I/O Ports

RJ45	WGI211AT (Intel WG82583 optional) Gigabit 2.0GHz*4
------	--

COM	RJ45 COM Port (Optional)
-----	--------------------------

HDMI	HDMI*1
------	--------

VGA	VGA*1
-----	-------

Audio Chipset	Realtek ALC662
---------------	----------------

USB	2 standard USB2.0
-----	-------------------

DC Jack	DC Jack*1
---------	-----------

Feature Key	Power On/Off
-------------	--------------

Pin I/O Slot

Built In Pin Header	LPC-CLK*1, JPWR-SATA*1, JDC-PWR*1, 1↑CLR-CMOS*1, Sim Card Slot*1
---------------------	--

Power Adapter

Power Adapter	Input 100V-240V 50/60Hz Output 12V 3A
---------------	---------------------------------------

Physical Characteristics

Working Temperature	(-10)°C~60°C (SSD/mSata), 0-50°C (HDD)
---------------------	--

Storage Temperature	(-40)°C~85°C
---------------------	--------------

Relative Humidity	0%~95%@40°C Non-Condensing
-------------------	----------------------------

Remark:

Metal Housing, Suitable size for cooling
