products Regular

15.6 inch notebook laptop-color can be customized

Reference Price

## Products Specification

| Type    | Details       | Description                  |
|---------|---------------|------------------------------|
| Shape   | product name  | notebook laptop              |
|         | Products Size | 371*239*16mm                 |
|         | Weight        | 1.5kg                        |
| screen  | Screen size   | 15.6"                        |
|         | Resolution    | 1920*1080                    |
| Touch   | Touchpad      | 104X75mm Touchpad            |
| Battery | Type          | 7.4V Lithium polymer battery |
|         | capacity      | 4000mAh                      |
|         | Standby time  | 4~6 hours                    |

## system hardware specification

| Type    | Details    | Description                                                                                     |
|---------|------------|-------------------------------------------------------------------------------------------------|
| CPU     | Type       | Intel® Celeron® Processor J4125;similar I3, 4th professor                                       |
|         |            | 4 core 4 threads, 4Mhigh speed memory; processor base frequency 2.00 GHz,max frequency 2.70 GHz |
|         | rate       | Intel® UHD Graphics 600                                                                         |
| Graphic | Type       | 8G + LPDDR4 2133MHz 6GX2 motherboard BGA build-in                                               |
| Memory  | Capacity   | 7mmSATA HDD from 128G-1TB(different Capacity different price)                                   |
| Camera  | Front side | 0.3M                                                                                            |
| Mic     | Built-in   | Built-in dual analog microphones                                                                |
| Speaker | Built-in   | Built-in dual-channel speakers 8Ω 1.5W*2                                                        |

## Network Description

| Type      | Details                       | Description                                                      |
|-----------|-------------------------------|------------------------------------------------------------------|
| WIFI      | FN6221C Dual-band WiFi module | WIFI 802.11ac/b/g/n IEEE 802.11ac 2.4、5GHz Highest rate 433 Mbps |
| Bluetooth |                               | Bluetooth4.2                                                     |

## Port Specification

| Type           | Details                       | Description                                                 |
|----------------|-------------------------------|-------------------------------------------------------------|
| USB Port       | Support data transmission     | USB3.0*1 USB2.0*1                                           |
| Headphone jack | Music output microphone input | 3.5mm Headphone jack 4-segment type with microphone         |
| DC Port        | Charging port                 | Outer diameter 3.5mm inner diameter 1.35mm tuning fork head |
| TF card slot   | TF card                       | MAX support 128G                                            |
| HDMI Port      | Video output                  | HDMI*1                                                      |

## Accessories

| Type          | Details              | Description |
|---------------|----------------------|-------------|
| Power Adapter | standard accessories | DC12V/2A    |

## Software

| Type             | Details | Description |
|------------------|---------|-------------|
| Operation System | Androil | No          |
|                  | Windows | Windows 10  |

can be customized according to client's requirement
