Backpacks		This cool game-controller themed boys backpack is made of sturdy water-resistant nylon material. Sized for elementary and middle school kids, it features multi-compartment storage to organize textbooks, notebooks, stationery and snacks. Comfortable shoulder straps and practical side pockets add daily convenience. Trendy game-inspired appearance makes it an ideal school and daily travel backpack for boys.	game themed kids backpack, boys video game school bookbag, 17 inch children daypack, elementary student backpack for boys	17 Inch Game Themed Kid Backpack for Boys Video Game Controller Print School Bookbag Large Capacity Durable Nylon Children Daypack	WLLXR-0826-7	Eye-Catching Video Game Controller Styling Vibrant game-controller inspired pattern appeals to game-loving boys. Bright red-blue color matching delivers fun modern look, stands out among ordinary school backpacks for kids. Large Multi-Compartment Storage Layout Two main large compartments plus three front pockets offer plenty of room. Store textbooks, notebooks, stationery, snacks and small accessories neatly for school daily use. Tough Water-Resistant Nylon Construction Premium thick nylon fabric resists scratches, dirt and light water splashes. Reinforced stitching, zippers and shoulder straps improve durability for rough daily kid-use. Easy to wipe clean. Kid-Friendly Practical Side Mesh Pockets Dual side mesh pockets conveniently hold water bottles and umbrellas. Quick-access front pockets keep small daily items within children's easy reach. Comfort-Oriented Back-to-School Choice Ergonomic padded shoulder straps reduce shoulder pressure for long-hour carrying. Perfect for elementary school daily commute, short trips, and great as a cool back-to-school gift for boys.	500	Pieces	45	65	TT	15	17	Ningbo	WILLY
