

Digital Photo Frame Product Specifications

Product Name: D10 digital photo frame (10.1 inches)

Product Model: D10

Document Number: D10-01

release date: 2024-05-10

Release review: Lai Tzu Kit

Product basic information description

Product Model	D10														
Brand LOGO	ARZOPA														
Selling Model	D10														
Graphics	 														
Dimensions	269.66*24.42*189.06mm (length, width and thickness)														
Weight	623g (including stand)														
shell	Plastic shell, metal bracket														
Screen size	10.1 " LCD Panel														
Resolution	1280*800														
Screen ratio	16: 10														
brightness	300cd /m2														
Contrast	1000:1														
Color gamut area ratio (CIE 1931)	<table><tr><td>sRGB</td><td>81.73%</td><td></td></tr><tr><td>DCI- P3</td><td>60.25%</td><td></td></tr><tr><td>Adobe RGB</td><td>60.59%</td><td></td></tr><tr><td>NTSC</td><td>57.89%</td><td></td></tr></table>			sRGB	81.73%		DCI- P3	60.25%		Adobe RGB	60.59%		NTSC	57.89%	
sRGB	81.73%														
DCI- P3	60.25%														
Adobe RGB	60.59%														
NTSC	57.89%														

Shenzhen G-World Technology Co., Ltd.

Viewing Angle	80/80/80/80 (Typ.)(CR≥10)
touch	5-point capacitive touch
Configuration	CPU : RK3126C Quad-core Cortex-A7 Running Memory : 1GB Storage : 32GB
Built-in software	Arzopa
network	WiFi :IEEE 802.11 b/g/n 2.4G
interface	Type-c : Users can connect to a computer via a USB cable to add photos and videos to the frame. (This feature only works with regular PCs, not Mac) Power jack : DC power input TF card : TF, maximum support 128GB
Media playback	Video format: MP4, 3GP Image format: JPG/JPEG/PNG/WEBP
other	Speaker: 2*2W Language: Chinese and English Working temperature: 0--45 degrees Gravity sensor: automatically flip the screen display
appendix	User Manual Power adapter 5V/ 2A Bracket
