2. Packaging and Sizes

Toblerone is available in various sizes, with different packaging options:

- **Standard Toblerone:** Typically comes in **100g** or **200g** sizes.
- **Toblerone Mini:** These are bite-sized versions of the classic bar, often sold in multi-packs or in bags for sharing.
- **Toblerone Gift Box:** Available as a luxury gift item, usually in larger sizes like **360g**, **500g**, or even **1kg**.
- **Toblerone Triangle:** This is the iconic shape of the Toblerone bar, with each piece being a triangular segment, making it easy to break off and enjoy.
