- 6.Companion app allows you to control your outlet remotely
- 7.Grounded outlet ensures you can safety use your electronics
- 8.Wifi connectivity links to your home or office network
- 9.Creat groups and control multiple outlets at once
- 10.Working with Amazon Alexa
- 11.Working with Google Home

## Product Specifications :

Working Voltage: AC100-240V50/60HZ

Max Power: 2000W

Communication Mode: WIFI Protocol

Rated Current: 10A

Humidity:≤80%

Security type:WEP64/WEP128/TKIP/CCMP(AES)

Security mechanism:WEP/WPA-PSK/WPA2-PSK

Wireless consuming:≤0.3W

Working conditiontemp: -10~45° C

Net Weight: 109g

Gross eight: 190g

Size of Plug: 83\*60\*100MM

Package Size: 90\*80\*120.5MM

Carton Size: 39\*37.5\*38.5cm; 60pcs in one Carton

Carton material: K = A

Support Device: andriod4.4 / IOS8.0 of the above

Wireless type: WIFI2.4GHZ 802.11B/G/N

## Principle of Operation:

Smart Socket connects to Internet through WIFI and controls the power of socket from APP in Smart Phone Supports WiFi network & remote network connection through the router Support Smart configure net technology, easy to access settings Know the status of your sockets at all times.
