

Product Specifications

Model	MWS-RG3000X
Chip	MTK7981+MTK7976+MTK7531
Memory/Flash size	256M
FLASH	128MB
Protocol standards	IEEE 802.11 a/b/g/n/ac/ax
Operating frequency band	2.4 GHz & 5.8GHz
Wireless rate	3000Mbps
Network interface	4*10/100/1000Mbps Adaptive network interface, 1WAN+3LAN
Power supply port	1* DC power port, supporting 12V DC power supply
Button	1*RESET button,1*WPS Button, 1*Power button
Machine power	< 12 w
Indicator Lights	System status indicator
Antenna	2* external 2.4G high-gain 5dBi omnidirectional antennas 4* external 5.8G high-gain 5dBi omnidirectional antennas
Other	User Manual *1, Warranty card *1, Certificate *1
Product dimensions	197*123*35mm (antenna height 163 mm)
Appearance color	White
Weight	< 1 kg
Management method	WEB page management
User access number	128+
Working Mode	Route mode, bridging mode
Installation method	Desktop, wall hanging
