

WELCOME TO Wuyi Boe Sports Equipment Co., Ltd.

Established in 2012, WUYI BOE SPORTS EQUIPMENT CO.,LTD. is a professional manufacturer for folding electric scooters and electric bikes with lithium battery. We have attended many fairs all over the world every year, such as Canton fair in China, Interbike in USA, Eurobike and ISPO in Germany, EICMA in Italy, Motorcycole fair in Poland, Brazil, and Velo Park in Russia. We welcome OEM design and we are open to discuss all possibility to develop together. We have modern processing and test equipment, as well as strong design & development capacity. We are knowledgeable and experienced in exporting to many parts of the world, such as Europe, USA, Australia, South America, the Middle East and Southern Asia. We assure excellent quality, high-efficient OEM capabilities with on-time production tailored to our customers' needs. We provide up front assessments for all production orders and completion dates. Unlike many others, we offer after-sales service as agreed upon when you place order.

The world is a changing market everyday. However, our aim won't change as we strive to build long-term business relationships with customers. We sincerely and warmly welcome you to visit our factory in Jinhua, which enjoys convenient transportation and is very near to Ningbo port and Shanghai.
