

Product Details

Product name: Mobile Phone USB Chargers

Manufacturer: Zhongshan Lingjing electronics Factory

Brand: Neutral or OEM/ODM customized

Main Usage: Cell Phone Charging

Other devices compatible: Tablets, Power banks, GPS, Bluetooth Headphones, Music players, Wireless controllers, Cameras etc.

Place of Origin: Guangzhou(Canton), China

Port: USB-Cx 1, USB-A x 1

Auto ID function: Available

Material: ABS, PC, PCB board etc.

Colors: black/white or OEM/ODM customized

AC input: 100-240V

Output(PD):5V -3A,9V- 2.78A,12V-1.67A [20W]

Output(QC 3.0): 5V-3A,9V-
2A,12V-1.5A [18W]

Working temperature: -10°C~+60°C (in door)

Efficiency: above 87%

AC power plug: US standard / EU standard / UK standard / AU standard and others

Protection against: overvoltage, overcurrent, overheat and short circuit

Certificate standard: CE, UL, FCC, IEC, ROHS

Packaging Details: PE/OPP bag, Blister package, Carton box and others OEM/ODM customized packaging

Warranty: 18 Months
