A high-quality photograph of a modern computer workstation. Three large monitors are arranged in a triple display configuration on a white desk. The left monitor shows a vibrant Cyberpunk 2077 game scene with a flying car. The middle monitor displays a blue, flowing abstract digital pattern. The right monitor shows a software interface with a dark theme and various data panels. In front of the monitors is a black keyboard and a black mouse. On the desk, in front of the keyboard, sits a compact, silver, cube-shaped mini PC. The background includes a green plant on the left and a white desk drawer with a silver handle.

4K Triple Display

Expand multiple monitor with HDMI/DP/TYPE-C

Dual 2.5G Ethernet Ports

Provide soft routing & NAS function
