

Product Name	Cable wiring harness
Color - Resin	Black, White, Grey, Blue, Red
Materials	Tinned Copper
Cable shape	Round or flat
Length	20mm-10000mm (According to customer's request)
Temperature Range - Operating	-25° C to +85° C (According to the cable spec)
Quality Control	100% Open & Short Test
Quality Control	100% Open & Short Test
Voltage - Maximum	500V AC/DC
Contact resistance	3 ohm max Quality Control
Insulator resistance	10MΩ min
Withstanding Voltage	300V DC
Test Time	3S
