

Rang of application	laptop ADAPTER	
Input specification	Input voltage	100-240V (worldwide use)
	Input frequency	50-60Hz
	Input surge	1.2-1.5A
Protection function	Overload protection	Beyond the rated power10%-15%, automatic recovery
	Over-voltage protection	10%-15%Out of rated voltage
	Short Circuit	No damage for short circuit,automatic recovery
Environmental	Operating temperature	30°C-55°C
	Storage temperature	(-20 °C-55°C)
Service	OEM ODM OBM	
Warranty	1 year warranty
