

## Product Specification

|                       |                                                                       |
|-----------------------|-----------------------------------------------------------------------|
| Model NO              | TY-27B                                                                |
| Product Name          | Telesystem smart TV android box STB remote                            |
| Function              | RF Control For Smart Home Appliances                                  |
| Frequency Range       | RF 38KHZ,wireless 2.4GHZ,433MHZ (other frequencies can be customised) |
| Color                 | Black                                                                 |
| Code Type             | NEC、FSK(Customized)                                                   |
| Full Keys             | 27 keys                                                               |
| Private Mold          | Yes                                                                   |
| Transmitting distance | $\geq 12$ M                                                           |
| Temperature           | -10℃ +50℃                                                             |
| Working voltage       | 2.0-3.3V                                                              |
| Current range         | $\leq 20$ mA                                                          |
| Product Size (CM)     | 17.4*5.0*2.5                                                          |
| Product Weight (G)    | 60.5                                                                  |
| Carton Size(CM)       | 57.7*34.7*20.5                                                        |
| Quantity(PCS)         | 100PCS                                                                |
| Weight (KGS)          | 7.25                                                                  |
| Material              | 100% ABS with transparent material                                    |
| Battery Type          | AAA1.5A*2                                                             |
| Price                 | USD1.45/PC                                                            |
| MOQ                   | 3000pcs                                                               |
| Lead Time             | 15-25days                                                             |
| Place of Origin       | Shenzhen.China                                                        |
