

Technical drawing of a stepped profile. The drawing shows a cross-section with three distinct steps. The dimensions are labeled as follows: the first step has a height of 2.05 ± 0.20 , the second step has a width of 5.00 ± 0.20 , and the third step has a height of 3.50 ± 0.20 . The profile is shown in a perspective view, with the top surface of the third step being inclined.
