

Cordless brushless auto vacuum cleaner

Product has vacuuming, blowing/inflating, pumping 3 in 1 function

Powerful auto vacuum clean wet or dry spills inside your car ,truck,
boat ,RV or workshop.

The filter screen adopts HEPA and can be washed

Suction(max) :12000 pa $\pm$ 10%

Inflating under low pressure: 520L/min (max)/260L/min

Deflating under low pressure: 520L/min (max)/260L/min

voltage: 7.4V

power: 80W

battery:18650*2*2000mah

Motor specification: Brushless motor 75000 rotate /min

work time high speed(15mins) and slow speed.(25mins)

charge time :3-4hours

inflate pressure (max): 12000pa (high)/6000pa(slow)

deflate pressure(max) : 12000pa(high)/6000pa(slow)

color can change.
