

TQ55 Product Specification

	master control	ATS2853C
	Amplifier IC	ACM8635
	Ex-factory unit price with MOQ 1000 sets with OEM	50 USD include 2pcs Handheld microphones
parameter	Battery capacity	21700 lithium battery 7.4V, 5000mAh
	charging time	5.5HS (by 5V/2A Adapter)
	Charging voltage and current	DC 5V/2A
	Type	Cylindrical lithium battery 21700 * 2
	50% volume playback time	25 hours without lighting Turn on the lights for 18 hours and 30 minutes
	100% volume playback time	6 hours and 30 minutes without lighting Turn on the lights for 5 hours
	Mirco SD card supports maximum memory	not have
	USB supports maximum memory capacity	64GB
	Signal to Noise Ratio	> 80DB
	Frequency range	70HZ-20KHZ
	Product size	268(H)*152(W)*152(L)mm
	Product weight	2.1kg
	Voice prompt	Special tone
	Low power prompt voltage set by software	6.8V
	Automatic shutdown voltage set by software	6.4V
	Real attack and release power	60W
	Maximum Attack and Release Power	120W
speaker unit	Drive Unit	2.5inch*2+4inch*1
	Number of speakers	1+2=3
	impedance	4Ω
	audio cable	No
	Charging line	Yes
	The power adapter	No
	Microphone (wired or wireless?)	Yes
	Hanging rope or shoulder strap	No
	instructions	Yes
	USB function	Yes
	Type of charging port	Type-C
	Micro SD card	No
	External charging interface	No
	Microphone function+interface size	No
	Audio function+interface size	No
	handle	Yes
	True wireless pairing	Yes
	Power bank function	No
	Microphone function	No
	Radio function	No
	Bluetooth function	Yes
	Audio function	Yes
	Waterproof grade	IPX5
	Voice assistant	Yes
	Hands-free calls	Yes
	LED lights or RGB lights	RGB Light
EQ function	No
