## Feature

- | Rating: 30mA, 30VDC (Push ON)
- | Contact Resistance: 100m ohms (Max)
- | Insulation Resistance: 100M ohms(Min)
- | Withstand Voltage: AC 500V 1 Minute
- | Operating Force: 200+/-50gf
- | Operating Life: 100,000 cycles
- | Cap: ABS
- | Housing: Nylon 66 94V-2

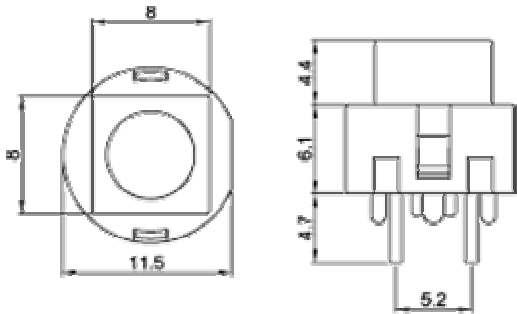

## How to order

|     |        |              |   |
|-----|--------|--------------|---|
| TS4 |        | 1            | R |
|     |        | Button type  |   |
| 1   | Round  |              |   |
| 2   | square |              |   |
|     |        | Button Color |   |
| W   | White  |              |   |
| R   | Red    |              |   |
| Y   | Yellow |              |   |
| G   | Green  |              |   |
| B   | Blue   |              |   |
