

# Product Parameters

## Keyboard parameter

|                       |                                                                 |
|-----------------------|-----------------------------------------------------------------|
| Model No.             | KY-4420W                                                        |
| Type                  | 2.4G+BT                                                         |
| Number of keys        | 104-105-107                                                     |
| Battery specification | 300mA                                                           |
| Dimensions            | 437*147*25mm                                                    |
| Weight                | ~                                                               |
| Current consumption   | <10mA                                                           |
| System compatibility  | Windows 90/2000/ME/NT Windows XP<br>Windows VISTA 7/8/10/11 Mac |

## Mouse parameter

|                       |                                                                 |
|-----------------------|-----------------------------------------------------------------|
| Type                  | 2.4G+BT                                                         |
| Number of keys        | 4                                                               |
| Resolution            | 1200-16000-2400-3200-3800 DPI                                   |
| Battery specification | 300mA                                                           |
| Dimensions            | 113*62*38mm                                                     |
| Weight                | 68g                                                             |
| Current consumption   | <10mA                                                           |
| System compatibility  | Windows 90/2000/ME/NT Windows XP<br>Windows VISTA 7/8/10/11 Mac |
