Dingzhi Polymer

Eco Friendly GRS TPU/TPR raw material

Dingzhi Polymer provide recycling **post consumption TPU and TPR materia**l with good physical properties. These materials are with **GRS Transaction Certificate.**

Black Recycled TPU/TPR Pellets

- ★Cost-effection solution, super good price.
- ★Issued transaction cerificate.
- ★Hardness Shore 85A~98A
- ★ Fast molding, widely use

Product Category:	Processed post-consumer materials(PC0035)
Product Detail:	Chips (pellets)(PD0085)
Material	100% Recycled post-consumer
Composition:	thermoplastic polyurethane(TPU)(RM0267)
Standard(Label Grade):	GRS(GRS)
Additional Info:	
Last Processor:	Dongguan Dingzhi Polymer Materials Co., Ltd
- TE-ID:	TE-00108022
- Country:	China(CN)

Semi Transparent Recycled TPU/TPR pellets

- ★Semi transparent with good physical properties.
- ★ Hardness shore 90A-98A
- ★Widely use in phone case, pad cases.
