

ACNE PATCH

Acne in 8 hours !

Efficient
Absorption

Life waterproofing
and bacteria

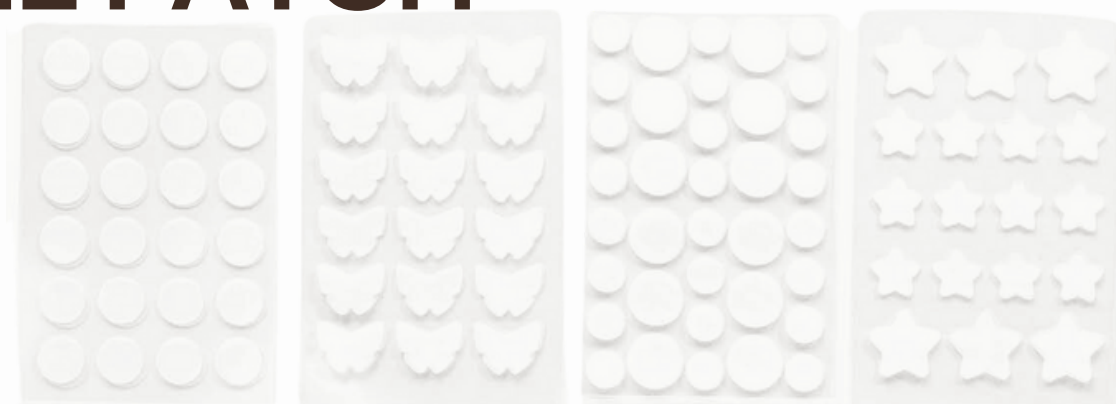

Protective cover
prevents scarring

Hydrocolloid Acne Patch is made with 100% hydrocolloid, it has an excellent fit soothes the skin, and protects wounds from water, dirt, and bacteria.

It has an excellent wound protection effect by absorbing wound exudates gradually to create a moist environment that helps speed up wound healing and minimizes scarring by not forming scabs on the wound.
