

Product Specifications

- 1- Name: N6
- 2- Model: 2.11 inch open 600P optical engine
- 3- Application scope: 1- Home theater 2- KTV 3- Video and picture demonstration

Front of packaging	Packaging stereogram:

Dimensions:

Product bare metal size (mm)	Product weight (KG)	Finished machine (with packaging) size	Finished product (with packaging) weight
129*61*74MM	0. 28kg	155*101*167mm	0. 63kg
Master Carton size	Master Carton	Transfer box placement weight	Standard pallet stacking quantity (units)
535*325*352mm	20 units		

Product specifications and parameters:

Basic information of motherboard hardware and software:

project:	Specifications:		Additional notes:
	Multimedia + Wired Screen	Wireless screen	
Motherboard Solution	D3101	D3100	
RAM (GB)	/	/	
R OM (GB)	/	/	
W IFI	/	2. 4+5G	Optional
Bluetooth	/	5. 0	Optional
System and version	/	/	
Voice support	22 types	22 types	

Parameter Description :

Projection parameter index		
project:	Parameter Description	Additional notes:
Display Technology	LCD	
L CD size	2.11 inches	Huaxing
LCD resolution	1024*600	
Projection light source	led	

Light source life	30000 hours	
Light source brightness	/	
Projection brightness (ANSI)	70LM	Plus or minus 10%
Throw Ratio	1. 075	
Projection aspect x height ratio	16:9	
Throw distance	0.3m ~ 1.3m	
Projection size	60 ~ 120	
Color temperature range	6000K	
Contrast	1000:1	
Light uniformity	60% ≤	
Optical mirror number	2 optical lenses	
Zoom Mode	Fixed focal length	
Focusing method	Manual focus	
Keystone	Electronic Keystone	Optional (electronic/automatic)

Correction		
Projection	Front projection / rear projection / side projection	
Mode	/hanging projection	
Other parameter standards:		
project:	Parameter Description	Additional notes:
Speaker power	6Ω2 W	
Number of speakers	1	
noise	36dB≤	Actual measurement is the standard
Built-in microphone	none	
Working power (W)	36W	Complete Machine
Power adapter specifications	1	
Built-in battery (W)	none	
Working temperature°C	-10~35	
Storage temperature °C	-10~45	
Interfaces, buttons and other hardware information:		

project:	Parameter Description	Additional notes:
Power switch	1	
Number of buttons	1	Power switch
HDMI interface	1	
VGA interface	none	
USB interface	1	
A V interface	none	
Y pBr interface	none	
Headphone jack	1	
D C interface	none	
USB Type -C interface	1	
TF card slot	none	
SD card slot	none	
SATA interface	none	
Other interfaces	none	
Number of fans	1	5025

Attachment Description:

Serial number	Attachment Name	Attachment certification and
---------------	-----------------	------------------------------

		instructions
1	HDMI cable	No certification option
2	A V Line	3-in-1 AV cable option
3	AUX line	none
4	Infrared remote control	No certification
5	Dry cell batteries	Not available
6	USB cable	Not available
7	Power cord	UL
8	CD	none
9	USB flash drive	none
10	harddisk	none
11	Protective case	PE bag
12	Cleaning kit: brush, cleaning cloth, cleaning cotton, etc.	Optional
13	Carrying Case	Optional
14	curtain	Optional
15	Bracket	Optional
16	Warranty card	Optional
17	manual	neutral
