SECURITY INFORMATION

Before using this product, please read the following safety instructions and follow all regular safety precautions. Any operation that does not comply with this manual may result in damage to this product.

 Warning

1. Do not use the product in environments with open flames or fragile items.
2. Do not use the product in extremely hot (above 40 °C) or extremely cold (below 0 °C) environments.

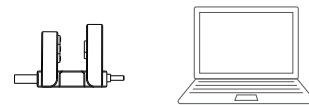

Attention

1. It is not recommended for users to disassemble this product themselves.
2. Do not place this product near cigarette butts, lighters, or other open flames.
3. Do not place heavy or sharp objects on the machine.
4. Please do not sit on the product.
5. Do not use this product in damp environments (such as bathrooms).
6. Do not place this product in places that are prone to falling, such as tables and chairs.
7. The temperature used for this product ranges from 0 degrees Celsius to 40 °C
8. Do not use this product in high temperature environments.

PRODUCT COMPOSITION

USAGE SCENARIO

Capacity Description:
The actual capacity of the product may differ from the indicated capacity on the product label, depending on the drive Format method, partition, and computer operating system for actuators.(1MB=1000000 bytes/1GB=1000000000 bytes),

PRODUCT SPECIFICATIONS

Product specifications	
NAME	SayRose Dual Interface Solid State Flash Drive
MODEL	UP1
SIZE	3.06*0.8*0.39 inches
MATERIAL	Metal
INPUT	5V $\pm$ 1A
RATED POWER	5W

Number	Interface specifications
①	USB 3.2
②	Type-C

Manufacturer:
shenzhenweikousikejiyouxiangongsi

Address:
Room 2002,Meilan Business Center,Bao'yunDa Logistics Center,
FuhuaCommunity,Xixiang Subdistrict,Bao'an District,Shenzhen

After-sales telephone:

Made in China

LEGAL NOTICE

- Before installing and using the product, please carefully read this document, especially the relevant safety tips. Please keep this document safe for future reference.
2. The illustrations and functional descriptions in this document are provided for illustrative purposes only and are for reference only. The actual product shall prevail. Some of the components, functions, and features mentioned in this document are for illustrative purposes only and may only be applicable to certain specific models of products. Unless otherwise specified, any content in this document is not a description of the specific specifications and configurations of the product. If you need to know the product specifications and configurations, please refer to the relevant specification documents of this product or consult the product seller. Products, applications, and content may be updated from time to time, and the actual product may differ from this document.
3. The nominal storage capacity only represents specifications, and the actual available capacity for users is lower than the nominal value. The mentioned technical performance indicators are measured based on specific environments, and the indicator data obtained in other operating environments may vary due to differences in settings and environments.
4. Some products (depending on the product description) require network support to achieve full functionality and may need to be used in conjunction with smart devices such as smartphones. The mentioned software and Internet services are used according to the relevant license and/or service agreement. The use of network functions may consume data traffic and incur service fees, which will be charged by your network service provider according to their standards.
5. Some well-based features of the product may be supported by third-party services, including content providers that is not provided, guaranteed, and supported by SayRose, and may be terminated or changed at any time. The use of third-party services is subject to the third-party service terms and privacy policies, which may differ from SayRose's regulations. Please read these third-party terms carefully before using the relevant functions and services. Third-party services and their content are not controlled by SayRose, and SayRose assumes no responsibility for them.

LEGAL NOTICE

6. If you use the software, peripherals, or options provided with this product on other products, or use software, peripherals, or options that are not recommended or allowed by this product specification file on this product, you shall be responsible for their compatibility, reliability, and legality on your own.
7. The parts of this document that belong to the licensor (if any) are used under authorization. Without prior written authorization from SayRose, no one is allowed to copy, transcribe, delete, or compile all or any part of this document into machine-readable format, or store it in any retrievable system, transmit it over wired or wireless networks, or translate it into any text in any form.
